BIGFOOT BULLETIN

Welcome to Camp Grimes Summer 2026, celebrating 50 years of service to scouting. For five decades, Camp Grimes has provided unforgettable adventures and lifelong friendships for Scouts to develop leadership, character, and outdoor skills in the North Carolina Piedmont. We are very excited for another exciting summer filled with new experiences and traditions. Thank you for being part of this remarkable legacy, we can't wait to make more memories together at Camp Grimes!

HONOR SCOUT CHALLENGE 2026!

SCOUT SAFETY TIP O' THE DAY: STAY HYDRATED OR ELSE!

MERIT BADGE MINUTE

Camp Grimes is the only Scouting America summer camp offering the Aviation Merit Badge! Scouts ages 14 and older will learn the basics of flight, aviation communications, drone operation, and aerial photography. The program includes a visit to a working airport, a preflight aircraft inspection, and an introductory flight with a certified instructor. Scouts will also earn their FAA TRUST certification for recreational drone use. Good luck to our Flying Scouts this week, and if you missed out, be sure to secure your spot for next summer!

WHERE IS THE MYSTERIOUS JEWEL OF GRIMES?

Generations of pioneers have been searching for the Mysterious Jewel of Grimes for generations. Hidden within the boundaries of camp, armed with only daily clues, you must take up the legacy of 50 years of scouts before you and be the first to find the Jewel of Grimes this week! Here's what it looks like, but where could it be???
